# organic coffee 8

## **kiawanduma, gitugi town, kenya**

soft, buttery notes of warm cinnamon and navel orange

produced by a farming co-operative in northwest nairobi, this coffee is one of the main resources in the region and you can taste why. good acidity, full body, rounded out with just enough sweetness, this cup is one of the best in kenya.

## **finca buena vista, caravni, pa paz, bolivia**

brown sugar, ripe peach, juicy

a rare bolivian masterpiece with the dribbled juiciness of a ripe peach, with upfront notes of sugarcane that seem almost impossible in a natural coffee. and yet, the finca buena vista. a small-batch, aficionado exclusive, this coffee is from caravani, a pristine region of the bolivian countryside.
